Christmas Joy

Create this portrait Christmas card with layered poinsettias, a textured white background, and a circular Christmas Joy sentiment.

Cutting and Scoring

• Thick White – 4 ¼" × 11"; score at 5 ½" on the 11" side.

• Basic White – 5 ¼" × 4"; emboss with the Textured Tree Ring Embossing Folder.

• A Stitched Season DSP – 3" wide × 2" tall and 4 ¼" wide × ¾" tall.

• Real Red, Peaceful Pine, Golden Glow, and Basic White – scraps for poinsettias, leaves, flower centers, and the sentiment circle.

• Multicolor Christmas Baker's Twine – 6".

• Rhinestone Basic Jewels.

Instructions

1. Fold the Thick White base on the score line and burnish with a bone folder. Position the card with the fold at the top.

2. Adhere the 3” × 2” DSP piece to the embossed Basic White layer, centering it from left to right and placing its top edge 1 ⅛” below the top of the white layer.

3. Adhere the embossed layer to the card front, leaving an even white border.

4. Use the Pretty Poinsettia dies to die-cut the poinsettia layers from Real Red scraps.

5. Die-cut the leaves from Peaceful Pine scraps and the flower centers from Golden Glow scraps.

6. Punch a sentiment label from Basic White with the 2 ⅜” Circle Punch.

7. Assemble two poinsettias by layering and offsetting the red petals. Add the Golden Glow centers and tuck the green leaves behind the flowers, as shown in the photo.

8. Adhere the poinsettias and leaves over the DSP with liquid glue, arranging one flower toward the upper right and the other toward the lower left.

9. Stamp the sentiment on the Basic White circle in Peaceful Pine ink.

10. On the back of the sentiment circle, secure the twine with a Tear & Tape sandwich: attach a strip of tape, arrange the twine in loops extending from opposite sides of the circle, and cover the secured ends with a second strip of tape.

11. Attach the sentiment circle to the lower-right portion of the card front with Stampin’ Dimensionals, overlapping the flowers as shown.

12. Adhere the 4 ¼” × ¾” DSP strip along the bottom of the inside of the card.

13. Add Rhinestone Basic Jewels to the flower centers and card front as shown. Finish with Wink of Stella on the poinsettias if desired.
